Palestine Liberation Organization  
Negotiations Affairs Department

Ambassador David Welch  
Assistant Secretary  
Bureau of Near Eastern Affairs  
U.S. Department of State

August 6, 2006

Dear Mr. Welch,

The arrest of Dr. Aziz Dweik, head of the Palestinian Legislative Council by the Israeli army is a flagrant violation of international law and strong blow to Palestinian democracy. This action comes a few weeks after the massive arrests of many members of the PLC and ministers of the Palestinian Authority cabinet, who are still in Israeli jails without any charges.

Israel's continuous disregard to signed agreements and internationally accepted norms, is an indication of a lack of desire to create an atmosphere conducive to a return to dialogue and putting an end to the current escalation of violence and tension.

We urge you to interfere with the Israeli Government to secure the release of Dr. Dweik and the other members of the PLC and cabinet who were elected democratically by the Palestinian people. We also urge you to exert all efforts to stop the Israeli military escalation in the Gaza Strip and the West Bank.

Thank you and please accept my regards.

Sincerely,

Dr. Sa'eb Erekat

Head of the Negotiations Affairs Department of the PLO

Ramallah, Palestine
